

RESEARCH SUMMARY

LEMON PEEL EXTRACT

“Depigmentation Factor Bioflavonoids; A Safe and Effective Lightener Based on Encapsulated Citrus Bioflavonoids”

Tiedke, J., Morel, J., Marks, O., *Cosmetic Science Technology*, 5/2004, pp 12-17

Key Point of Study

- ⑩ Lemon peel extract is an effective tyrosinase inhibitor, anti-oxidant and anti-inflammatory while being completely non-irritating.
